The Chief Secretary to the
Government of Mysore.

Sir,

I have the honor to report that the present Amildar of Davangere as well as his predecessor have brought to notice the expediency of enforcing in the Town of Davangere Rules and Regulations for Salimkhanas published in Government Notification No. 280 dated 19th December 1874.

2.- It is reported that there are 7 Salimkhanas in the Town, which are frequented by bad characters; that there are two factions in the Town which are bitterly opposed to each other, each faction being sided by one Salimkhana or another; and that the public peace was disturbed and the execution of legal measures rendered difficult by the show of force on the part of persons frequenting the Salimkhanas.

3.- I therefore consider the introduction of the rules to the Davangere Town

necessary and request the early
sanction of the Government to the dam

The Chief Secretary to the

Government of Mysore

Sir,

In reply to your letter No 1587 G.F. 115-92 dated 27th July 1892, calling for my opinion on the subject of the introduction of Salimkhana Rules into the Davengere Town, I have the honor to state that I agree with the Deputy Commissioner that the Rules are necessary for Davengere.

2. Davengere which was always noted as a quiet town has latterly developed a factions spirit. The Salimkhanas of which the Deputy Commissioner says there are so many as 7 in the town, turn out a number of rowdies whom each faction employs to assault or annoy members of the opposite side.

Last year a well-to-do Lingayet

merchant was beaten to death early in the evening when [illegible] on his way home in a busy quarter of the town. This was the work of the rival faction who had deliberately planned out the whole affair and employed these Kattiwallas to carry out their design. More recently the people got up a row when the police attempted to search the house of a merchant. The police were outnumbered and were unable to put down the disturbance.

4. I would avail myself of this opportunity to urge the introduction of the above rules in Seringapatam also. The recent riot in Ganjam shows that public peace is always in peril of being disturbed by the bad characters of the town. The large number of Talimkhanas is accountable to a great extent for this result.

5. The names of the Towns
